Samia Islam Ridita

CSE Undergraduate | Aspiring Frontend Developer

Email: samiaislamridita670@gmail.com | Phone: +880 1879-337331
GitHub: github.com/samiaislamridita670-ui | Location: Bangladesh

PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate at Green University of Bangladesh with hands-on experience building frontend projects using HTML5, CSS3, JavaScript, React, Next.js, TypeScript and Tailwind CSS. Motivated to learn, with a growing foundation in problem solving, data structures and algorithms.

Seeking a frontend development internship or entry-level opportunity to apply practical skills, learn from experienced teams and grow as a professional web developer through strong fundamentals, modern web technologies and real project work.

SELECTED PROJECTS

RokthoBindu

Tech: React, TypeScript, Supabase

Blood donation platform project, deployed online with a live website.

Live: rokthobindo.netlify.app | GitHub: github.com/samiaislamridita670-ui/rokthobindo

Smart Web Partner

Web design and development agency website with the following features:

- Service showcases and portfolio cards
- Pricing packages
- Responsive navigation and contact options

GitHub: github.com/samiaislamridita670-ui/smart-web-partner

EduSpark

Tech: React

Educational course discovery frontend demonstration with the following features:

- Course search
- Category filtering
- Course cards

GitHub: github.com/samiaislamridita670-ui/eduspark

FitLog

Tech: Next.js, TypeScript

Fitness and workout tracking web application project.

GitHub: github.com/samiaislamridita670-ui/fitlog

Bazar Dor

Tech: Next.js, TypeScript, API integration

Market price information application project.

GitHub: github.com/samiaislamridita670-ui/bazar-dor

Rafi's Classroom

Educational website project, deployed online with a live website.

Live: rafis-classroom.netlify.app | GitHub: github.com/samiaislamridita670-ui/rafis-classroom
